

Echoes and Reflections and Elie Wiesel's *Night* Upcoming Program

"Possibly one of the best learning experiences I have ever been part of."

Reading Coach
Brevard Public Schools, Brevard, FL

How do we prepare students to read and understand Elie Wiesel's *Night* within the larger historical framework of the Holocaust? What are some of the moral and ethical questions that the memoir helps students examine?

Program Goals

- Familiarize participants with the content and pedagogy of Echoes and Reflections through experiential activities.
- Enhance teacher knowledge about the Holocaust.
- Explore Echoes and Reflections multimedia assets including the correlated visual history testimonies and other primary resources and materials.
- Introduce participants to IWitness, an online complement to Echoes and Reflections that includes interactive student-centered activities.

Participants will explore the following:

- History of antisemitism and the ghettos for context prior to teaching *Night*.
- Interdisciplinary materials, including art work, photographs, poetry, and personal narratives, for teaching about the "Final Solution."
- Significant themes of the memoir and additional resources to support the teaching of the text.

Every participant will receive a copy of the Teacher's Resource Guide.
