Presents

"Can't I Just Buy A Friend"

with Mark Aquino

A FREE seminar for Educators and Parents

*"Teach your kids how to earn a friend so they don't
have to think about buying one."*

Social behavior is such a difficult task for the generation of today. With texting, email, online chat and online courses, face to face interaction is slowly dwindling away.

Today's youth are less capable of successful social interaction and have fewer opportunities for social lessons.

This seminar is designed to give you insight and strategies to help teach socially accepted behaviors in a dynamic and constantly changing world.
